

Shillong Whitewater Village

Kayak Rental and Instruction Rates

From The Village down to Zero Point Dam takes less than 3 hours, and is class 2-4, mostly class 3, with one compulsory portage. From Stage 4 hydro station down to the dam near Byrnihut is a full day trip and is class 4-5, and is considered one of the best runs in India.

You can also simply paddle at the village, doing laps. There is a big starting ramp which was built for the Megha Kayak Fest 2016, when we hosted a number of top international extreme kayakers, featuring Adidas Sickline winner, Aniol Serrasolses.

The three main extreme kayak destinations for Meghalaya are the Kynshi, Kopili and the Umtrew, and there are many others. Meghalaya is truly one of the top extreme kayaking destinations in the world. A comprehensive guide book is being prepared for publishing by our friends in the United Kingdom, we will have that available when it is ready.
